This is a book for those who love adventure and who are driven to explore the earth God has created. The author draws from his own experiences in the world of sports to offer insight into the thoughts and reflections of athletes as they encounter a world of high drama and, at times, unanticipated beauty. While testing his determination and skill in mountain climbing or deep sea diving, for example, the author observes how biblical truths are as applicable in the wilds of nature as they are in a serene church setting on Sunday morning. No matter how extreme our lifestyle, God is there with those who honor him.

Following the format change to include single best answer questions (SBAs), this book equips candidates with a full range of testing examples to develop familiarity with the format and prepare for success in their FRCS (Tr&Orth) examination. Containing over 1,000 level 2 SBA questions, detailed explanations ensure candidates understand the reasoning and evidence-based decision-making behind each answer. Covering the breadth of the orthopaedic syllabus, including more difficult subject areas such as biomechanics, prosthetics/orthotics, anatomy and statistics, this is a crucial resource for all candidates. Encouraging the integration of clinical information with problem solving, this question format helps candidates learn and retain the answers more efficiently than with
