Photographer ' s Guide to the Panasonic Lumix DC-ZS70/TZ90 is a complete guide to the use of the Panasonic Lumix DC-ZS70 camera, which is known as the TZ90 outside of North America. The book shows beginning and intermediate photographers how to capture excellent images and video sequences with the ZS70. The book explains the use of autofocus, manual focus, aperture, shutter speed, exposure compensation, white balance, and ISO, and many other settings. The book discusses the camera ' s options for playback, setup, and customizing the operation of its controls. The book contains more than 450 color photographs showing the camera ' s controls, display screens, and menus. The book includes photographs taken using the many creative settings of the camera, including the Photo Style settings; the Creative Control mode picture effects, which provide the ability to customize the appearance of images in dramatic ways; and the camera ' s features for burst shooting and shooting in high-contrast lighting conditions. The book includes a full discussion of the video recording abilities of the ZS70 camera, which offers manual control of exposure and focus during movie recording, and provides ultra-high definition 4K recording of motion pictures. The book also explains the camera ' s features for extracting still images from 4K video and using the Post Focus and Focus Stacking features to produce sharply focused images after a shooting session. In three appendices, the book discusses accessories for the ZS70, including cases, power supply options, and other items, and includes a list of websites and other resources for further information. The book includes an appendix with helpful Quick Tips that explain how to take advantage of the camera ' s features in the most efficient ways possible.

"[E]xpect to find insights that make you stop, go back and read again.... Take it from us: You don't know what's coming in the last third of this book, and you will be astounded." —O, the Oprah Magazine A beautifully wrought story of an ad hoc family and the crisis they must overcome together. Edith is a widowed landlady who rents apartments in her Brooklyn brownstone to an unlikely collection of humans, all deeply in need of shelter. Crippled in various ways—in spirit, in mind, in body, in heart—the renters struggle to navigate daily existence, and soon come to realize that Edith ' s deteriorating mind, and the menacing presence of her estranged, unscrupulous son, Owen, is the greatest challenge they must confront together. Faced with eviction by Owen and his designs on the building, the tenants—Paulie, an unusually disabled man and his burdened sister, Claudia; Edward, a misanthropic stand-up comic; Adeleine, a beautiful agoraphobe; Thomas, a young artist recovering from a stroke—must find in one another what the world has not yet offered or has taken from them: family, respite, security, worth, love. The

threat to their home scatters them far from where they ' ve begun, to an ascetic commune in Northern California, the motel rooms of depressed middle America, and a stunning natural phenomenon in Tennessee, endangering their lives and their visions of themselves along the way. With humanity, humor, grace, and striking prose, Kathleen Alcott portrays these unforgettable characters in their search for connection, for a life worth living, for home.

A Washington Post Notable Book With a new chapter on eugenicist Madison Grant ' s The Passing of the Great Race In this brilliant and original exploration of some of the formative influences in Adolf Hitler ' s life, Timothy Ryback examines the books that shaped the man and his thinking. Hitler was better known for burning books than collecting them but, as Ryback vividly shows us, books were Hitler ' s constant companions throughout his life. They accompanied him from his years as a frontline corporal during the First World War to his final days before his suicide in Berlin. With remarkable attention to detail, Ryback examines the surviving volumes from Hitler ' s private book collection, revealing the ideas and obsessions that occupied Hitler in his most private hours and the consequences they had for our world. A feat of scholarly detective work, and a captivating biographical portrait, Hitler ' s Private Library is one of the most intimate and chilling works on Hitler yet written.

I lost my dear mother to stomach cancer in 1994. Before she passed away she made a request to me that I some day take her poetry and my works of art and put them together for the world to see. This book has been created in her memory and honor. She was a remarkable lady and a wonderful mother. I hope her words touch and inspire all who read them.

Makes an excellent gift for kids, students, artists, creatives, children, teens, and adults! This large, blank comic book has 100 pages of variety comic panels with action templates ranging with different numbers and sizes of comic panels. Each comic strip page is on white paper.
