Take Me To Truth is the first book to present a practical guide to the six stages involved in shedding our distorted ego perception. It explains why our search for real happiness has eluded us and how to perceive the Love for which we all yearn so deeply. As Gary Renard says in the Foreword... despite the thousands of things we may appear to have to choose from in this world, there are really only two things, and only one of them is real. The ego is not. Take me to Truth heralds the next crucial step in the pursuit of evolutionary consciousness.

Classic book on gunsmithing reprinted in a new hardcover series format.

Examines the role of silence in the history of the Christian faith, including the silent prayers of the faithful, the role of silence in monasteries, and the more negative forms of silence, particularly in dealing with the Catholic Church's internal sex scandals.

A fan-favorite story from New York Times bestselling author Suzanne Brockmann, originally published in 2003 For years, a trumped-up charge—and a Central American prison cell—has kept Jax Winchester from claiming the girl he loved. Now, he ' s technically a free man, but lives in a jail of his own making. The only way out is to keep the promise he made to Kelly O ' Brien all those years ago—and claim her for his own....
