Patterns in the Dark confirms one thing that I ' d noted in passing after the third book: That my level of enjoyment of each installment in the Dragon Blood series changes based on which duo ' s POVs are featured – Ridge/Sardelle ' s or Tolemek/Cas ' . It ' s definitely the former duo ' s POVs that tip the scales for me personally, and the fact that this fourth book switches to Tolemek and Cas ' voices is probably the biggest reason why I enjoyed it somewhat less than I did Book 3.
