About the learning resources. The National  
Intercollegiate Document 'Safeguarding for Adults:  
Roles and Competencies' defines the safeguarding  
knowledge, skills and attitudes required by staff  
working in health and care settings. The document  
specifies the safeguarding competencies required at  
Levels 1 to 5, and additionally, for executive and non-  
executive directors at Board level.

Safeguarding Adults - e-Learning for Healthcare  
This guideline covers safe and effective prescribing of  
strong opioids for pain relief in adults with advanced  
and progressive disease. It aims to clarify the clinical  
pathway for prescribing and help to improve pain  
management and patient safety. Care during the last 2  
to 3 days of life is covered by care of dying adults in  
the last days of life.
