Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information.

Predator 500, 2003-2007; Predator 500 (Troy Lee Designs) 2005-2006

Motorcycle maintenance made easy: -- Aimed at the DIY mechanic and students embarking on courses in motorcycle engineering -- Service tasks are described in detail and illustrated with over 900 color photographs --Information on how to build up a toolkit and keep service records --Tools, testing and measuring equipment, oils and workshop equipment --Using a service schedule and keeping records --Engine: Oil and filter, valve clearances, compression test, air and fuel filters, carburetor balance, coolant, spark plugs, clutch and exhaust system --Chassis: Chain, sprockets, tires, disc brakes, drum brakes, wheel bearings, front forks, steering head bearings, rear shock, handlebars, swinging arm bearings, cables, footrests, stands and bodywork. --Electrics: batter, fuses, bulbs, horn, switches and wiring --Accessories: twin horns, fork gaiters, top box and drive chain oiler

The manual contains separate sections for vehicle service, engines, converters, track drive, track and suspension, and skis and steering.

The traces of God can be found in the most unexpected places--an Atlanta slum, a pod of whales off the coast of Alaska, the prisons of Peru and Chile, the plays of Shakespeare, a health club in Chicago--yet many Christians have not only missed seeing God, they've overlooked opportunities to make him visible to those most in need of hope. In this enlightening book author Philip Yancey serves as an insightful tour guide for those willing to look beyond the obvious, pointing out glimpses of the eternal where few might think to look. Whether finding God among the newspaper headlines, within the church, or on the job, Yancey delves deeply into the commonplace and surfaces with rich spiritual insight. Finding God in Unexpected Places takes readers from Ground Zero to the Horn of Africa, and each stop along the way reveals footprints of God, touches of his truth and grace that prompt readers to search deeper within their own lives for glimpses of transcendence.
