dramatically shaped modern and contemporary Arab societies, but they are little understood in the West. The Contemporary Arab Reader on Political Islam corrects this at a stroke. It brings together the writings of highly influential figures in the field of Islamism in the contemporary Arab world, many of whose writings have never been available before in English. Addressing the key issues such as Shari'ah, human rights, civil society, secularism, globalisation and ummah, and the impact of the West on the modern Arab world, this is the perfect starting point for students and academics looking to understand Political Islam in contemporary Arab and Muslim societies. The contributors include such important Islamist thinkers and activists as Abdullah Azzam, central to the spread of Islamism in Afghanistan, Sayyid Muhammad Hussain Fadlallah, a major Shiite figure in contemporary Lebanon and Ahmad Bin Yousuf, a political advisor to Akram Haniyya in Gaza.

The continued prominence of Islam in the struggle for democracy in the Muslim world has confounded Western democracy theorists who largely consider secularism a prerequisite for democratic transitions. Kamran Bokhari and Farid Sensai offer a comprehensive view of the complex nature of contemporary political Islam and its relationship to democracy.

An accessible and comprehensive account of the global dimensions of political Islam in the twenty-first century, explaining political Islam, nationalism and globalization and providing a detailed account of Al Qaeda.

Islamist political parties and groups are on the rise throughout the Muslim world, constituting a new political Islam that is global in scope and yet local in action. Emmanuel Karagiannis explains how various Islamists have endorsed human rights, democracy, and justice to gain influence and mobilize supporters.

The Routledge Handbook of Political Islam provides a multidisciplinary overview of the phenomenon of political Islam, one of the key political movements of our time. Drawing on the expertise from some of the top scholars in the world it examines the main issues surrounding political Islam across the world, from aspects of Muslim integration in the West to questions of political legitimacy in the Muslim world. Bringing together an international team of renowned and respected experts on the topic, the chapters in the book present a critical account of: Theoretical foundations of political Islam Historical background Geographical spread of Islamist movements Political
