competence, impartiality and consistent operation of laboratories. It is applicable to all organizations performing laboratory activities, regardless of the number of personnel.

ISO 17025:2017 Quality Manual Templates, Tools, and Consulting
ISO 17025 has not set a format on how to write a quality manual. However, laboratories should develop a quality manual because it defines their Quality Management System and the procedures which implement it. There are accreditation bodies that provide guidance and format in creating a quality manual document.
