Written in easy-to-understand language, *Business Basics in Hawaii* introduces the lay person to some of the basic principles of business. Readers benefit from lessons learned by other business people through an examination of two hypothetical companies. Some of the topics covered include estimating market potential and monthly operating costs, planning an advertising campaign with local media, negotiating a lease, and reviewing some Hawaii business tax laws.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.
