Acclaim for Robert Harris ' s Pompeii, the #1 international bestseller " Blazingly exciting... Pompeii palpitates with sultry tension....Harris provides an awe-inspiring tour of one of the monumental engineering triumphs on which the Roman empire was based....What makes this novel all but unputdownable...is the bravura fictional flair that crackles through it.

Pompeii: A Novel: Harris, Robert: 9780812974614: Amazon ...

Pompeii is a novel by Robert Harris, published by Random House in 2003. It blends historical fiction with the real-life eruption of Mount Vesuvius on 24 August 79 AD, which overwhelmed Pompeii and the vicinity. The novel is notable for its references to various aspects of volcanology and use of the Roman calendar. In 2007, a film version of the book had been planned and was to be directed by Roman Polanski with a budget of US\$150M but was cancelled due to the threat of a looming actors' strike.

Pompeii (novel) - Wikipedia

As always, Robert Harris does his research well. This book gives one a feel of the wealth and decadence of Pompeii before it was devastated. He gives a good account too of the Aqua Augusta - that masterpiece of Roman engineering that conveyed fresh water to Pompeii and the surrounding towns. His research into volcanoes is impressive.

Pompeii by Robert Harris - Goodreads

The mystery deepens as sulfur is discovered in the drinking water. Not satisfied to write just a mystery story, Harris also gives us action, political corruption and a love story. For anyone who likes historical fiction or simply enjoys a mesmerizing thriller, I can highly recommend Harris ' s " Pompeii. "

In seinem Roman "Pompeji" erzählt Robert Harris die schon aus anderen Büchern und Filmen bekannte Geschichte des historischen belegten Ausbruchs des Vesuv im Jahr 79 nach Christus. Und zwar aus der Sicht eines jungen Aquarius (Wasserbaumeister), der nach Misenum am Golf von Neapel beordert wird, um dort die Wasserversorgung zu gewährleisten.

Pompeji, 79 n. Chr., reichste Stadt der römischen Weltmacht, Oase der Schönen und Mächtigen: Der junge Wasserbaumeister Attilius kommt einer skrupellosen Verschwörung auf die Spur, doch seine Nachforschungen werden überschattet von den unheimlichen Vorzeichen einer drohenden Apokalypse. Robert Harris wurde 1957 in Nottingham geboren und studierte in Cambridge. Er war Reporter bei der BBC, Redakteur beim 'Observer' und Kolumnist bei der 'Sunday Times' und dem 'Daily Telegraph'. 2003 wurde er als bester Kolumnist mit dem 'British Press Award' ausgezeichnet. Er schrieb mehrere Sachbücher, und seine Romane 'Vaterland', 'Enigma', 'Aurora', 'Pompeji', 'Imperium', 'Ghost' und zuletzt 'Titan' wurden allesamt internationale Bestseller. Seine Zusammenarbeit mit Roman Polanski bei der Verfilmung von 'Ghost' ('Der Ghostwriter') brachte ihm den französischen 'César' und den 'Europäischen Filmpreis' für das beste Drehbuch ein. Robert Harris lebt mit seiner Familie in Berkshire.

Als der britische Historiker Kelso Einzelheiten über ein bislang unbekanntes Notizbuch Stalins zugespielt bekommt, wittert er eine Sensation. Kurze Zeit später wird der Informant ermordet, und es beginnt eine lebensgefährliche Jagd, die Kelso quer durch Russland führt. Auf geniale Weise verbindet Robert Harris wie schon in „Vaterland“ und „Pompeji“ historische Fakten und Fiktion.

Recently placed in charge of the Aqua Augusta, the aqueduct that brings fresh water to thousands of people around the bay of Naples, Roman engineer Marius Primus struggles to discover why the aqueduct has ceased delivering water and heads to the slopes of Mount Vesuvius to find the problem, only to come face to face with an impending catastrophe of mammoth proportions. Reprint.

Macht will ein Imperium „Pompeji“ war ein internationaler Triumph. Robert Harris versteht es wie kein Zweiter, die Antike mit Leben zu füllen und die Gegenwart in einem Roman zu beschreiben, der vor zweitausend Jahren spielt. Im Mittelpunkt von „Imperium“ steht ein gerissener, mit allen Wassern gewaschener Anwalt und geborener Machtpolitiker: Marcus Tullius Cicero. Ein unbekannter junger Anwalt – hochintelligent, sensibel und enorm ehrgeizig – betritt das Zentrum der Macht. Er hat nur ein Ziel: Er will nach ganz oben. Der Fall eines Kunstsammlers, der vor der Willkür eines skrupellosen und gierigen Gouverneurs fliehen muss, kommt ihm da gerade recht. Der Gouverneur hat einflussreiche und gefährliche Freunde im Senat, und sollte der Anwalt den Fall gewinnen, würde er die gesamte alte Machtclique zerschlagen. An die Niederlage wagt er nicht zu denken, sie könnte ihn das Leben kosten. Eine einzige Rede kann über sein Schicksal und die Zukunft einer Weltmacht entscheiden, doch seine gefährlichste Waffe ist das Wort. Die Weltmacht am Scheideweg ist Rom. Der Name des jungen Anwalts ist Marcus Tullius Cicero, Außenseiter, Philosoph, brillanter Redner und der erste Politiker modernen Stils. Ein topaktueller Roman im historischen Gewand.

From the bestselling author of Fatherland and Pompeii, comes the first novel of a trilogy about the struggle for power in ancient Rome. In his “most accomplished work to date” (Los Angeles Times), master of historical fiction Robert Harris lures readers back in time to the compelling life of Roman Senator Marcus Cicero. The re-creation of a vanished biography written by his household slave and righthand man, Tiro, Imperium follows Cicero’s extraordinary struggle to attain supreme power in Rome. On a cold November morning, Tiro opens the door to find a terrified, bedraggled stranger begging for help. Once a Sicilian aristocrat, the man was robbed by the corrupt Roman governor, Verres, who is now trying to convict him under false pretenses and sentence him to a violent death. The man claims that only the great senator Marcus Cicero, one of Rome’s most ambitious lawyers and spellbinding orators, can bring him justice in a crooked society manipulated by the villainous governor. But for Cicero, it is a chance to prove himself worthy of absolute power. What follows is one of the most gripping courtroom dramas in history, and the beginning of a quest for political glory by a man who fought his way to the top using only his voice—defeating the most daunting figures in Roman history.

The long-awaited final volume of the Cicero Trilogy, from a beloved bestselling author “incapable of writing an unenjoyable book” (The Wall Street Journal). At the age of forty-eight, Cicero—the greatest orator of his time—is in exile, his power sacrificed on the altar of his principles. The only way to return to Rome is to pledge his support to a charismatic and dangerous enemy: Julius Caesar. Harnessing his political cunning, unrivalled intellect, and the sheer brilliance of his words, Cicero fights his way back to prominence. Yet no public figure is completely safeguarded against the unscrupulous ambition of others. Riveting and tumultuous, Dictator encompasses the most epic events in ancient history, including the collapse of the Roman Republic, the murder of Pompey, and the assassination of Caesar. But its central question is a timeless one: how to keep political freedom unsullied by personal gain, vested interests, and the corrosive effects of ceaseless foreign wars. In Robert Harris’s indelible portrait, Cicero is a deeply fascinating hero for his own time and for ours.

The best-selling author of Enigma and Fatherland turns to today's Vatican in a ripped-from-the-headlines novel, and gives us his most ambitious, page-turning thriller yet--where the power of God is nearly equaled by the ambition of men. The pope is dead. Behind the locked doors of the Sistine Chapel, one hundred and eighteen cardinals from all over the globe will cast their votes in the world's most secretive election. They are holy men. But they have ambition. And they have rivals. Over the next seventy-two hours one of them will become the most powerful spiritual figure on Earth.
