Vintage Golf Cart Parts

Engines & Exhaust - Vintage Golf Cart Parts Inc.

If your cart has a lift kit installed often the rear end of the golf cart is higher of the ground and will cause oil to flow into the airbox causing excessive smoke to flow

File Type PDF Robin Golf Cart Engine

from exhaust. A lifted cart causes the dipstick to read too low and if you fill up with oil to the Full mark you are actually over filled and oil will splash up into the airbox.
