The rudiments of music are the most basic elements
that one must know and understand in order to
appreciate and perform music in a technically
perceptive and proficient manner. It is certainly
possible to enjoy music without knowledge of the
basics of music, but to understand the technical aspects
of the music or to compose and perform music, it is
generally necessary to have at least a basic
understanding of them.

What Are the Rudiments of Music? (with pictures)

In percussion music, a rudiment is one of a number of
relatively small patterns which form the foundation for
more extended and complex drumming patterns. The
term "rudiment" in this context means not only "basic",
but also fundamental. While any level of drumming may,
