Thai cooking is not simple, but not complex, either. The food in this cookbook is good and will please your family and friends. I took a Thai cooking class and all of the things we cooked are in this book, which is great. The descriptions of the tools, ingredients and other information provided cleared up a lot of my questions as well.

The first two editions of Simply Thai Cooking have sold over 100,000 copies, and it's not hard to see why. Thai cooking is exhilarating, it's exotic -- and it's easier to make than ever before. The exciting, flavorful ingredients can be found everywhere, and nothing else so magically combines the savory with the sweet, the tart with the spicy.
