Online Library Social Entrepreneurship And

for profits. Measure of profitability. While social businesses measure profits based on monetary returns for the benefit of society,

Difference Between Social Business and Social Entrepreneurship

A business entrepreneurship defines wealth as dollars made through these actions. Money is the goal of the business. A social entrepreneurship values wealth accumulation and the profits generated by their company. However, a social entrepreneur sees money as just a tool to affect real change throughout the world. It's not their endgame.
