Now in its third Canadian edition, the market-leading Social Research Methods is an engaging and straightforward introduction to conducting quantitative and qualitative research in the social sciences. Building on the success of previous editions, the authors deftly guide students through all aspects of the research process, while providing useful tips on how to effectively collect, analyze, and interpret data, and disseminate those findings to others. With a brand new chapter on ethics and extensive updates throughout, this new edition continues to be an essential guide to the conceptual foundations, methodological approaches, and practical

This monograph by a professional thief—with the aid of Edwin H. Sutherland's expert comments and analyses—is a revealing sociological document that goes far to explain the genesis, development, and patterns of criminal behavior. "Chic Conwell," as the author was known in the underworld, gives a candid and forthright account of the highly organized society in which the professional thief lives. He tells how he learned to steal, survive, succeed, and ultimately to pay his debt to society and prepare himself for full and useful citizenship. The Professional Thief presents in amazing detail the hard, cold facts about the private lives and professional habits of pickpockets, shoplifters, and conmen, and brings into focus the essential psychological and sociological situations that beget and support professional crime.

Focuses on the two central conflicts of capitalism, bourgeois versus proletarian and core versus periphery.

Comprehensive and engaging, this textbook introduces students not only to foundational sociological work, but also to insights from contemporary sociological theory and research. This combined approach ensures that students become familiar with the core of sociology: key concepts, theories, perspectives, methods, and findings. Students will acquire the ability to think like a sociologist, investigate and understand complex social phenomena. This text presents a complete sociological toolkit, guiding students in the art of asking good sociological questions, devising a sophisticated theory and developing methodologies to observe social phenomena. The chapters of this book build cumulatively to equip students with the tools to quickly understand any new sociological topic or contemporary social problem. The textbook also applies the sociological toolkit to selected key sociological issues, showing how specific sociological topics can be easily investigated and understood using this approach. Taking a global and comparative perspective, the book covers a rich diversity of sociological topics and social problems, such as crime, immigration, race and ethnicity, media, education, family, organizations, gender, poverty, modernization and religion. The book presents a range of helpful pedagogical features throughout, such as: Chapter overview and learning goals summaries at the start of every chapter; Thinking like a sociologist boxes, encouraging students to reflect critically on

learning points; Principle boxes, summarizing key sociological principles; Theory schema boxes, presenting sociological theories in a clear, understandable manner; Stylized facts highlighting key empirical findings and patterns; Key concepts and summary sections at the end of every chapter; and Companion website providing additional material for every chapter for both instructors and students, including PowerPoint lecture notes, discussion questions and answers, multiple-choice questions, further reading and a full glossary of terms. This clear and accessible text is essential reading for students taking introductory courses in sociology. It will also be useful for undergraduate and graduate courses in other social science disciplines, such as psychology, economics, human geography, demography, communication studies, education sciences, political science and criminology.

Introduction to Sociology 2e adheres to the scope and sequence of a typical, one-semester introductory sociology course. It offers comprehensive coverage of core concepts, foundational scholars, and emerging theories, which are supported by a wealth of engaging learning materials. The textbook presents detailed section reviews with rich questions, discussions that help students apply their knowledge, and features that draw learners into the discipline in meaningful ways. The second edition retains the book's conceptual organization, aligning to most courses, and has been significantly updated to reflect the latest research and provide examples most relevant to today's students. In order to help instructors transition to the revised version, the 2e changes are described within the preface. The images in this textbook are grayscale. Authors include: Heather Griffiths, Nathan Keirns, Eric Strayer, Susan Cody-Rydzewski, Gail Scaramuzzo, Tommy Sadler, Sally Vyain, Jeff Bry, Faye Jones

TIMES: THE ESSENTIALS, 11th Edition presents the latest available data and new insights on behaviors, beliefs, issues, and trends in our nation and world from a sociological perspective. The new edition of this bestselling text emphasizes the themes of social change, the effects of social media on communication, and the intertwining nature of politics and social policy in the United States and worldwide. Students contemplate such issues as gun control, prevention of military suicides, environmental activism, and whether employers should be allowed to spy on their employees. New You Can Make a Difference boxes help students learn how to become involved in their communities and the world through such projects as campus kitchens and global networking to fight hunger. First-person accounts of individuals' lived experiences draw students into each chapter by illuminating topics that reflect the text's primary themes. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This best-selling comprehensive book conveys the relevance of sociology by presenting a timely collection of theories, research, and examples-including its signature first-person accounts that open many chapters. Experiences represented in these opening vignettes accurately mirror the richness and complexity of society, while also establishing the themes that are carried throughout the chapters. Author Diana Kendall's vivid and inviting writing style, emphasis on applications, and eye for the most compelling current examples highlight sociology's relevance to all students. Now in its Tenth Edition, SOCIOLOGY IN OUR TIMES is acclaimed in the field for being the first textbook to integrate race, class, and gender issues, and for its thorough presentation of sociological theory, including contemporary perspectives such as feminism and postmodernism. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
