Take Back Your Life!: Using Microsoft Office Outlook 2007 ...

Make behaviors that you believe are helpful, a habit. When pressed, this can keep you from making wrong decisions, because you internally know you shouldn't do it, but if you actually thought about it, you just might do it. Start off small, like putting what you need for work in a certain place immediately after arriving home. 2

How to Take Back Your Life (with Pictures) - wikiHow

Taking command of your life means getting honest with yourself about what friends and activities bring out your best self, and which ones no longer serve you. This way, you will give yourself room to say yes to people and activities that actually serve your best interests and elevate your consciousness.
