Consists of self-study material for the Texas property and casualty adjuster license exam. Covers property and casualty insurance concepts, policy forms, insurance statutes, key terms and definitions. Includes a comprehensive practice exam.

An insurance adjuster is a person who engages in the business of making an investigation for the purpose of obtaining information in the course of adjusting or participating in the settlement or disposal of any claim in connection with a policy of insurance. This book primarily covers the fundamental adjusting knowledge compatible with the state exam, with Texas specific coverage. We create these self-practice test questions referencing the concepts and principles currently valid in the adjuster exam. Each question comes with an answer and a short explanation which aids you in seeking further study information. For purpose of exam readiness drilling, this product includes questions that have varying numbers of choices. Some have 2 while some have 5 or 6. We want to make sure these questions are tough enough to really test your readiness and draw your focus to the weak areas. Think of these as challenges presented to you so to assess your comprehension of the subject matters. The goal is to reinforce learning, to validate successful transference of knowledge and to identify areas of weakness that require remediation. The questions are NOT designed to "simulate" actual exam questions. "realistic" or actual questions that are for cheating purpose are not available in any of our products.

What insurance adjusters need to know about handling Texas insurance claims. Texas has very specific laws regarding how insurance carriers should be handling claims. Failure to follow these requirements may lead the insurance carrier into owing penalties in addition to the original value of the claim. Mark Courtois applies his 25 year insurance defense background to give adjusters what they need to know to handle Texas insurance claims correctly. Topics covered in this Guide include: the Prompt Payment of Claims Act, bad faith, unfair settlement practices, subrogation, policy limits demands, and the Texas Deceptive Trade Practices Act. Special worksheets are provided to assist adjusters in responding timely to the time deadlines of first party claims, the time deadlines of responding to an insurance code or deceptive trade practices demand, and a policy limits demands. No adjuster handling Texas claims should be without this Guide.
