Completely revised and updated for this new edition, Benedictow's

Get Free The Black Death History

acclaimed study remains the definitive account of the Black Death and its impact on history. The first edition of The Black Death collected and analysed the many local studies on the disease published in a variety of languages and examined a range of scholarly papers. The medical and

Get Free The Black Death History

epidemiological characteristics of the disease, its geographical origin, its spread across Asia Minor, the Middle East, North Africa and Europe, and the mortality in the countries and regions for which there are satisfactory studies, are clearly presented and thoroughly discussed. The pattern,

Get Free The Black Death History

pace and seasonality of spread revealed through close scrutiny of these studies exactly reflect current medical work and standard studies on the epidemiology of bubonic plague. Benedictow's findings made it clear that the true mortality rate was far higher than had been previously

Get Free The Black Death History

thought. In the light of those findings, the discussion in the last part of the book showing the Black Death as a turning point in history takes on a new significance. OLE J. BENEDICTOW is Professor of History at the University of Oslo.

Get Free The Black Death History

Chronicles the Great Plague that devastated Asia and Europe in the fourteenth century, documenting the experiences of people who lived during its height while describing the harrowing decline of moral boundaries that also marked the period. 40,000 first printing.

Get Free The Black Death History

"A humorous book about history's worst plagues from the Antonine Plague, to leprosy, to polio and the heroes who fought them In 1518, in a small town in France, Frau Troffea began dancing and didn't stop. She danced herself to her death six days

Get Free The Black Death History

later, and soon thirty-four more villagers joined her. Then more. In a month more than 400 people had died from the mysterious dancing plague. In late-nineteenth-century England an eccentric gentleman founded the No Nose Club in his gracious townhome a social club for

Get Free The Black Death History

those who had lost their noses, and other body parts, to the plague of syphilis for which there was then no cure. And in turn-of-the-century New York, an Irish cook caused two lethal outbreaks of typhoid fever, a case that transformed her into the notorious Typhoid Mary and led to

Get Free The Black Death History

historic medical breakthroughs. Throughout time, humans have been terrified and fascinated by the plagues they've suffered from. Get Well Soon delivers the gruesome, morbid details of some of the worst plagues in human history, as well as stories of the heroic figures who

Get Free The Black Death History

fought to ease their suffering. With her signature mix of in-depth research and upbeat storytelling, and not a little dark humor, Jennifer Wright explores history's most gripping and deadly outbreaks."--

In the middle of the fourteenth

Get Free The Black Death History

century a devastating epidemic of plague, commonly known in European history as the "Black Death," swept over the Eurasian continent. This book, based principally on Arabic sources, establishes the means of transmission and the chronology of the plague

Get Free The Black Death History

pandemic's advance through the Middle East. The prolonged reduction of population that began with the Black Death was of fundamental significance to the social and economic history of Egypt and Syria in the later Middle Ages. The epidemic's spread suggests a

Get Free The Black Death History

remarkable destruction of human life in the fourteenth century, and a series of plague recurrences appreciably slowed population growth in the following century and a half, impoverishing Middle Eastern society. Social reactions illustrate the strength of traditional Muslim values and

Get Free The Black Death History

practices, social organization, and cohesiveness. The sudden demographic decline brought about long-term as well as immediate economic adjustments in land values, salaries, and commerce. Michael W. Dols is Assistant Professor of History at California State University,

*Includes pictures *Includes accounts of the plague written by survivors across Europe *Includes a bibliography for further reading "The trend of recent research is pointing to a figure more like 45-50% of the

Get Free The Black Death History

European population dying during a four-year period. There is a fair amount of geographic variation. In Mediterranean Europe, areas such as Italy, the south of France and Spain, where plague ran for about four years consecutively, it was probably closer to 75-80% of the population. In

Get Free The Black Death History

Germany and England ... it was probably closer to 20%.." - Philip Daileader, medieval historian If it is true that nothing succeeds like success, then it is equally true that nothing challenges like change. People have historically been creatures of habit and curiosity at the

Get Free The Black Death History

same time, two parts of the human condition that constantly conflict with each other. This has always been true, but at certain moments in history it has been abundantly true, especially during the mid-14th century, when a boon in exploration and travel came up against a fear of

Get Free The Black Death History

the unknown. Together, they both introduced the Black Death to Europe and led to mostly incorrect attempts to explain it. The Late Middle Ages had seen a rise in Western Europe's population in previous centuries, but these gains were almost entirely erased as the plague spread rapidly

Get Free The Black Death History

across all of Europe from 1346-1353. With a medieval understanding of medicine, diagnosis, and illness, nobody understood what caused Black Death or how to truly treat it. As a result, many religious people assumed it was divine retribution, while superstitious and suspicious

Get Free The Black Death History

citizens saw a nefarious human plot involved and persecuted certain minority groups among them.

Though it is now widely believed that rats and fleas spread the disease by carrying the bubonic plague westward along well-established trade routes, and there are now

Get Free The Black Death History

vaccines to prevent the spread of the plague, the Black Death gruesomely killed upwards of 100 million people, with helpless chroniclers graphically describing the various stages of the disease. It took Europe decades for its population to bounce back, and similar plagues would affect various

Get Free The Black Death History

parts of the world for the next several centuries, but advances in medical technology have since allowed researchers to read various medieval accounts of the Black Death in order to understand the various strains of the disease. Furthermore, the social upheaval caused by the plague

Get Free The Black Death History

radically changed European societies, and some have noted that by the time the plague had passed, the Late Middle Ages would end with many of today's European nations firmly established. The Black Death: The History and Legacy of the Middle Ages' Deadliest Plague chronicles the

Get Free The Black Death History

origins and spread of a plague that decimated Europe and may have wiped out over a third of the continent's population. Along with pictures and a bibliography, you will learn about the Black Death like never before, in no time at all.

Get Free The Black Death History

The definitive history of the virulent and fatal plague outbreaks that wiped out half of London's populations from the medieval Black Death of the 1340s to the Great Plagues of the seventeenth century.

A fascinating account of the

Page 62/68

Get Free The Black Death History

phenomenon known as the Black Death, this volume offers a wealth of documentary material focused on the initial outbreak of the plague that ravaged the world in the fourteenth century. A comprehensive introduction that provides important background on the origins and

Get Free The Black Death History

spread of the plague is followed by nearly 50 documents organized into topical sections that focus on the origin and spread of the illness; the responses of medical practitioners; the societal and economic impact; religious responses; the flagellant movement and attacks on Jews

Get Free The Black Death History

provoked by the plague; and the artistic response. Each chapter has an introduction that summarizes the issues explored in the documents; headnotes to the documents provide additional background material. The book contains documents from many countries — including Muslim and

Get Free The Black Death History

Byzantine sources — to give students a variety of perspectives on this devastating illness and its consequences. The volume also includes illustrations, a chronology of the Black Death, questions to consider, a selected bibliography, and an index.
