The Foundations of Modern Political Thought: The ...
A two-volume study of political thought from the late thirteenth to the end of the sixteenth century, the decisive period of transition from medieval to modern political theory. The work is intended to be both an introduction to the period for students, and a presentation and justification of a particular approach to the interpretation of historical texts.

The Foundations of Modern Political Thought by Quentin Skinner
In The Foundations of Modern Political Thought, Quentin Skinner has three aims: creating a sort of reference book for hundreds of primary texts in multiple languages, illuminating a more general historical theme using late medieval and early modern political texts, and giving us a history of political thought with a genuinely historical character. Skinner allows us to see political theorists creatively wrestling with difficult political problems of their day, and attempting to solve them ...
