the Law of Divine Compensation Archives - Predict My Future

I was first introduced to Marianne Williamson and her book The Law of Divine Compensation: On Work, Money, and Miracles at the first group meeting for Real Life Book Club. Our book club leader, Susannah Campora, warned that while Williamson's words could be inspiring, her writing about God and prayers might not be everyone's cup of tea. As a spiritual☐but not religious☐person, I wondered how I would interpret this type of writing.

"The most important decision we make is whether we believe we live in a friendly or a hostile universe." Such is the opening quotation of Marianne Williamson's *The Law of Divine Compensation: On Work, Money and Miracles*. It perfectly sets the tone and tenor of this internationally acclaimed author's latest release.

The Law of Divine Compensation - Actionable Books

LAW OF COMPENSATION. Law of Compensation or Recompense - In all the beliefs of this kind, humans have misconceived God and His Divine Nature. With humans, like other Creatures, their powers are governed by God's Immutable Laws. Those Laws are no respecters of persons. Human was given a free will, which they could exercise righteously, or sinfully.

Marianne Williamson is a bestselling author (*Return to Love, Healing the Soul of America*), a world-renowned teacher, and one of the most important inspirational thinkers of our time. In *The Law of Divine Compensation*, she reveals the spiritual principles that help us overcome financial stress and unleash the divine power of abundance. A guru to anyone interested in spirituality, Williamson's words ring with power and truth as she assures us that, with faith in God's promise of prosperity for all, we need never fear the future.

A best-selling author and world-renowned teacher reveals the secrets of the divine law of compensation and offers spiritual counsel about how God will work with the universe to help give us everything we need if we live our lives to the best of our abilities. 75,000 first printing.

Healing That Reaches Beyond the Self In this landmark work, Marianne Williamson reminds us that there is a point in everyone's spiritual journey where the search for self-awareness can turn into self-preoccupation. All of us are better off when contemplation of holy principles is at the center of our lives. But it is in applying those principles in our lives that we forge the true marriage between heaven and earth. In the compassionate but clear-eyed prose that has won her so many avid readers, Williamson shows us that the principles which apply to our personal healing also apply to the healing of the larger world. Calling on Americans to turn the compassion in our hearts into a powerful force for social good, Williamson shows us how to transform spiritual activism into a social activism that will in turn transform America into a nation seriously invested in the hope of every child and in the potential of every adult.

Marianne Williamson's bestselling *A Return to Love* ended with a prayer in which she asked God to help us "find our way home, from the pain to peace, from fear to love, from hell to Heaven." Now, in this stunning new collection of thoughts, prayers, and rites of passage, Marianne Williamson returns to prayer. Prayer is practical, Williamson tells us. "To look to God is to look to the realm of consciousness that can deliver us from the pain of living." *Illuminata* brings prayer into our daily lives, with prayers on topics from releasing anger to finding forgiveness, from finding great love to achieving intimacy. There are prayers for couples, for parents, and for children; prayers to mend broken relationships and prayers to overcome obsessive and compulsive love. There are prayers to heal the soul, prayers to heal the body, and prayers for work and creativity. Williamson also gives us prayers for the healing of America, including two prayers that have had powerful effects on audiences at her lectures: a prayer of amends on behalf of European Americans to African-Americans and one to Native Americans. How, Williamson asks, can we expect anyone to forgive when we have made no formal apology? Another section includes rites of passage, ceremonies of light for the signal events in our lives: blessing of the newborn, coming of age, marriage, and death. There is also a ceremony of the elder, for moving into midlife, and a ceremony of divorce, in which a gentle transition is provided for both the couple and their children. "Read my prayers or someone else's," Williamson says. "By all means, create your own." *Illuminata* is a way to bring prayer into practical use, creating a sweeter, more abundant life for yourself and the people you care for. "No conventional therapy," she says, "can release us from a deep and abiding psychic pain. Through prayer we find what we cannot find elsewhere: a peace that is not of this world."

Bestselling author of *Return to Love* and *Law of Divine Compensation*, Marianne Williamson shows people how to live without fear or worry in *The Gift of Change*. The time in which we now live is more difficult and stressful than people are willing to admit. We live with an abiding sense of collective anxiety. Williamson shows how we are paralyzed in our current state of fear and anger because we are not facing and dealing with the true causes of our anxieties and fears. Williamson reveals that fear and worry do not need to be the only tools in our tool box for dealing with problems in the world. As we learn to trust God and the love that surrounds us and guides us, we will see that what causes us pain is an opportunity for growth, healing, and miracles that can transform us and our world. Williamson delivers hope and healing as she illuminates ten basic changes that each of us can make as we learn to view the world through the eyes of love instead of fear.

Back by popular demand -- and newly updated by the author -- the mega-bestselling spiritual guide in which Marianne Williamson shares her reflections on *A Course in Miracles* and her insights on the application of love in the search for inner peace. Williamson reveals how we each can become a miracle worker by accepting God and by the expression of love in our daily lives. Whether psychic pain is in the area of relationships, career, or health, she shows us how love is a potent force, the key to inner peace, and how by practicing love we can make our own lives more fulfilling while creating a more peaceful and loving world for our children.

In *A Year of Miracles*, Marianne Williamson, the #1 New York Times bestselling author of the classic *A Return to Love* and world-renowned teacher, offers a daily devotional that helps us develop a positive, loving mindset and encourages us to live our best selves to bring miracles into our lives. Williamson has taught millions around the world the simple yet profound lesson that has helped them tap into the divine within themselves and lead a happier, more fulfilled existence: How we think determines how we live. If you change your thoughts, you can change your reality. If you strive to put your best self forward, the universe responds, actively helping you, creating miracles that allow you to flourish. *A Year of Miracles* is her collection of 365 spiritual readings, including prayers, meditations, declarations, and affirmations—one for each day of the year—that offer guidance, support, and enlightenment to focus your thinking. With this thoughtful meditative devotional, you can stay mindful, hopeful, and centered every day, producing miracles in your life. Combining wisdom drawn from her bestselling books as well as fresh insight, *A Year of Miracles* helps enhance your spiritual journey and opens your eyes to see God acting through the universe to provide all that you need.

Cutting across class, race, religion, and gender, *A Woman's Worth* speaks powerfully and persuasively to a generation in need of healing, and in search of harmony. With *A Woman's Worth*, Marianne Williamson turns her charismatic voice—and the same empowering, spiritually enlightening wisdom that energized her landmark work, *A Return to Love*—to exploring the crucial role of women in the world today. Drawing deeply and candidly on her own experiences, the author illuminates her thought-provoking positions on such issues as beauty and age, relationships and sex, children and careers, and the reassurance and reassertion of the feminine in a patriarchal society.

In this stirring call to arms, the activist, spiritual leader, and New York Times bestselling author of the classic *A Return to Love* confronts the cancerous politics of fear and divisiveness threatening the United States today, urging all spiritually aware Americans to return to—and act out of—our deepest value: love. America's story is one of great social achievement. From the Abolitionists who fought to outlaw slavery, to the Suffragettes who championed women's right to vote, to the Civil Rights proponents who battled segregation and institutionalized white supremacy, to the proponents of the women's movement and gay rights seeking equality for all, citizens for generations have risen up to fulfill the promise of our nation. Over the course of America's history, these activists have both embodied and enacted the nation's deepest values. Today, America once again is in turmoil. A spiritual cancer of fear threatens to undo the progress we have achieved. Discord and hatred are dissolving our communal bonds and undermining the spirit of social responsibility—the duty we feel toward one another. In this powerful spiritual manifesto, Marianne Williamson offers a tonic for this cultural malignancy. She urges us to imitate the heroes of our past and live out our deepest spiritual commitment: where some have sown hatred, let us now sow love. Williamson argues that we must do more than respond to external political issues. We must address the deeper, internal causes that have led to this current dysfunction. We need a new, whole-person politics of love that stems not just from the head but from the heart, not just from intellectual understanding but from a genuine affection for one another. By committing to love, we will make a meaningful contribution to the joyful, fierce and disruptive energies that are rising at this critical point in time. In the words of Abraham Lincoln, "we must think anew, and act anew . . . and then we shall save our country."
