The term "Princes in the Tower" is generally synonymous with the supposedly murdered boy King Edward V and his younger brother Richard, Duke of York, sons of Edward IV. But were those boys genuinely held against their will in the Tower?

~~The Mythology of the 'Princes in the Tower': Ashdown Hill ...~~

The children of Edward IV were declared bastards in 1483 and Richard, Duke of Gloucester, was offered the throne. But after Bosworth, in order to marry their sister Elizabeth of York, Henry VII needed to make her legitimate again. If the boys were alive at that time then Edward V would once again have become the rightful king.
