US authorities have for decades become increasingly prepared for mass civil disturbances resulting from government and corporate attacks on American society.

~~The Next American Revolution? Anticipated Civil Unrest~~

A straightforward account of what we must do and what is already being done to bring about the next American Revolution. This book speaks simply and honestly about the need for a revolution in a society dominated by violence, alienated from nature (as much as itself), and dying from a lack of imagination, compassion, and (principled) action.

The Next American Revolution. Book Description: A world dominated by America and driven by cheap oil, easy credit, and conspicuous consumption is unraveling before our eyes. In this powerful, deeply humanistic book, Grace Lee Boggs, a legendary figure in the struggle for justice in America, shrewdly assesses the current crisis:political, economical, and environmental!and shows how to create the radical social change we need to confront new realities.

~~The Next American Revolution: Sustainable Activism for the~~

Her book is a manifesto for creating alternative modes of work, politics, and human interaction that will collectively constitute the next American Revolution. Grace Lee Boggs, the recipient of many human rights and lifetime achievement awards, is an activist, writer, and speaker. She is celebrated in the National Women's Hall of Fame.

~~The Next American Revolution Sustainable Activism for the~~

One of my friends believes that a second American revolution is imminent and will be sparked by the economic instability now rocking the continent. Frankly, I doubt it. Insurrections may occur, but I expect the US government to lumber along, dragging the world deeper into poverty and conflict for many years to come.

The American Revolution!also called the U.S. War of Independence!was the insurrection fought between 1775 and 1783 through which 13 of Great Britain's North American colonies threw off British rule to establish the sovereign United States of America, founded with the Declaration of Independence in 1776.

~~American Revolution | Causes, Battles, Aftermath, & Facts~~

The Next American Revolution:Sustainable Activism for the Twenty-First Century. Few, if any, U.S. leaders can match the long-term and sustained commitment to civil rights, social justice, and grassroots democracy of 95-year-old Detroit activist and intellectual Grace Lee Boggs. A friend of Malcolm X as well as Martin Luther King Jr., Boggs blends the vision and insights of a PhD-holding philosopher with the street-smart savvy of a community organizer.
