One of the most enthusiastically received introductory books in recent years, The Philosophical Journey is a topically organized text presented in an interactive format designed to get students' philosophical intuitions flowing. The book's guiding metaphor of "explorers on a journey" makes readers active participants in ongoing discoveries. The message of this book is that philosophy is a vital activity and way of thinking that can be practiced and developed.

2014 Popular Theology Book of the Year - World Magazine How do you view the world? It's a big question. And how you answer is one of the most important things about you. Not sure what you'd say? Join James Anderson on an interactive journey of discovery aimed at helping you understand and evaluate the options when it comes to identifying your worldview. Cast in the mold of a classic "Choose Your Own Adventure" story, What's Your Worldview? will guide you toward finding intellectually satisfying answers to life's biggest questions—equipping you to think carefully about not only what you believe but why you believe it and how it impacts the rest of your life.

The authors tell the epic story of the universe from an inspired new perspective, weaving the findings of modern science together with enduring wisdom found in the humanistic traditions of the West, China, India, and indigenous peoples. This book is part of a larger project that includes a documentary film, educational DVD series, and Web site.

Focusing on the concepts and interactions of free will, moralresponsibility, and determinism, this text represents the mostup-to-date account of the four major positions in the free willdebate. Four serious and well-known philosophers explore the opposingviewpoints of libertarianism, compatibilism, hard incompatibilism,and revisionism The first half of the book contains each philosopher'sexplanation of his particular view; the second half allows them todirectly respond to each other's arguments, in a lively andengaging conversation Offers the reader a one of a kind, interactive discussion Forms part of the acclaimed Great Debates in Philosophyseries

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

A little blue spot and a little yellow spot are best friends, and when they hug each other they become green.

Seeking adventure in faraway places, Miss Rumphius fulfills her dream and then sets out to make the world more beautiful.
