A reader first, his readerly encounters, out of all of life's pursuits, are seen to be as significant as his most important relationships with friends, family, or lovers. Wilde's library, which Thomas Wright spent twenty years reading, provides the intellectual (and emotional) climate at the core of this deeply engaging portrait. One of the book's happiest surprises is the story of

downplayed, his successes resented. He had a genius for comedy but strove to write tragedies. He was an unabashed snob who nevertheless delighted in exposing the faults of society. He affected a dandified disdain but was prone to great acts of kindness. Although happily married, he became a passionate lover of men and - at the very peak of his success - brought disaster upon himself. He disparaged authority, yet went to the law to defend his love for Lord Alfred Douglas. Having delighted in fashionable throngs, Wilde died almost alone: barely a dozen people
