value, color mixing, and perspective through helpful studies and exercises, whether at home, in studio, and on location.

Sketching Handbooks

The Urban Sketching Handbook: Techniques for Beginners ...

Often challenging and overwhelming to sketchers, the fourth book in the Urban Sketching Handbook series uses drawings and simple steps to explain the concepts of perspective in practical and useful ways for on-site sketching. Most books are either too abstract or don't provide enough information that relates to what you actually do when you're out in the busy, wide world about to start a drawing.

The Urban Sketching Handbook: Architecture and Cityscapes ...

Urban sketching is the act of drawing while on location in areas that you live in or traveling to.

You can sketch out your local farmer's market, museums, beaches, temples, concerts, parks -you name it, you can sketch it!

It's a great way to document the world you live in or the attractions you visit while on vacation.

The Urban Sketching Handbook: Working with Color ...

Nice collection of handy tips on sketching people. There are two publishers for this book as far as I know. One's Quarry Books and the other Basheer Graphic Books. This book on people and motion is the second in the Urban Sketching Handbook series. The first one is on architecture and cityscape. The version I bought was from Quarry Books and the book's construction quality is exactly the same as Basheer's version.
