will be left | English examples in context | Ludwig

If God doesn't make the time shorter, no one will be left alive. But because of God's chosen ones, he will make the time shorter. Good News Translation But God has already reduced the number of days; had he not done so, nobody would survive. For the sake of his chosen people, however, God will reduce the days. Holman Christian Standard Bible

Power Comes From Class War, Not Biden—In These Times

There is a general principle under English law that everyone has [freedom of testamentary capacity]¶. In other words, upon death, a person can leave their property, assets and other wealth to whoever they want. However, there are exceptions to the rule. The Inheritance (Provision for Family and Dependants) Act 1975 was introduced to help those who had been wrongly left out of a Will, those who had not been left as much as they need, or those who had not inherited as a result of intestacy.

While the characters in the "Left Behind" series are fiction, the stories in this book are real. With more than two dozen real-life stories of series readers, this book chronicles the miraculous way that God has used the series to change people's lives and draw them closer to Him.

"Each chapter of this enrapturing novel is elegantly brief and charged with barely contained emotion." --New York Times Book Review A gripping debut set in modern-day Tokyo and inspired by a true crime, for readers of Everything I Never Told You and The Perfect Nanny, What's Left of Me Is Yours charts a young woman's search for the truth about her mother's life--and her murder. In Japan, a covert industry has grown up around the "wakaresaseya" (literally "breaker-upper"), a person hired by one spouse to seduce the other in order to gain the advantage in divorce proceedings. When Satō hires Kaitarō, a wakaresaseya agent, to have an affair with his wife, Rina, he assumes it will be an easy case. But Satō has never truly understood Rina or her desires and Kaitarō's job is to do exactly that--until he does it too well. While Rina remains ignorant of the circumstances that brought them together, she and Kaitarō fall in a desperate, singular love, setting in motion a series of violent acts that will forever haunt her daughter's life. Told from alternating points of view and across the breathtaking landscapes of Japan, Stephanie Scott exquisitely renders the affair and its intricate repercussions. As Rina's daughter, Sumiko, fills in the gaps of her mother's story and her own memory, Scott probes the thorny psychological and moral grounds of the actions we take in the name of love, asking where we draw the line between passion and possession.

Rosemary J. Mundhenk and LuAnn McCracken Fletcher have assembled a remarkable variety of Victorian nonfiction prose, both classic and lesser known. In both their commentary and selection the editors have drawn upon the insights of recent theoretical approaches to literature and culture to present a complex range of responses to Victorian issues, thus inviting modern readers to explore the many voices of the period and reenvision the Victorian era.

My book presents the four gospels from the perspective of another eyewitness- a man named Eleazar. Eleazar is the Aramaic name for Lazarus who is an historical character in the Gospel of John. I believe, along with a minority of New Testament Scholars, that Lazarus was the principle author of that gospel. As such, he was certainly an eyewitness to Jesus' ministry in Judea and perhaps even Galilee. I tried to write this book by keeping that narrator , Eleazar in the background because I don't want it to read primarily as a first person novel. Actually, I do and I don't. I say that because it is a lot more than an historical novel. At times, it certainly reads like a novel but the scholarly element is always present. I do this be quoting most of the passages from the the four gospels and portions of Acts. All the quotes are in italics so the reader is sure they are from the New Testament. There are also numerous footnotes which are used to explain said passages. Eleazar is basically my sounding board as he reacts to the gospel story. He is actually myself and the reader as we struggle to understand the gospel message and its challenges. My aim in my ministry is to get people to read the Bible, particularly the gospels. This book gives them the opportunity to do that but in a more relaxed and convenient way. My book is not just for Catholics but everyone, regardless of their denomination. I respect all protestant denominations and have learned a great deal from many of them. My approach is that of a scripture scholar where-in I do not espouse a particular doctrine but merely let the words of scripture speak for themselves.

The KJV Holy Bible is offered in this larger print, affordable edition for personal and ministry use including book introductions, plan of salvation, and 10.5-pt type size.

This book tackles the question of why the United States is so resistant to radical change towards economic justice and peace. Taking full stock of the despair that launched the popular support for Bernie Sanders and Donald Trump, Swanger historicizes the political paralysis of post-1974 United States that deepened already severe economic inequalities, asking how the terrain for social movements in the early twenty-first-century US differs from that of the 1960s. This terrain is marked by the entrenchment of neoliberalism, anti-intellectualism, and difficulties paradoxically posed by the ease of social media. Activists now must contend with a paralyzing ¶post-factual¶ moment. Alain Badiou's thought informs this book on breaking through contemporary political paralysis.
