To not be or not to be -- that is the question. Actually, the question has to do with where to put to and not when using the infinitive form of any verb. #1 NEW YORK TIMES BESTSELLER □ From the National Book Award□winning author of *Stamped from the Beginning* comes a □groundbreaking□ (Time) approach to understanding and uprooting racism and inequality in our society□and in ourselves. □The most courageous book to date on the problem of race in the Western mind.□□The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review □ Time □ NPR □ The Washington Post □ Shelf Awareness □ Library Journal □ Publishers Weekly □ Kirkus Reviews *Antiracism* is a transformative concept that reorients and reenergizes the conversation about racism□and, even more fundamentally, points us toward liberating new ways of thinking about ourselves and each other. At its core, racism is a powerful system that creates false hierarchies of human value; its warped logic extends beyond race, from the way we regard people of different ethnicities or skin colors to the way we treat people of different sexes, gender identities, and body types. Racism intersects with class and culture and geography and even changes the way we see and value ourselves. In *How to Be an Antiracist*, Kendi takes readers through a widening circle of antiracist ideas□from the most basic concepts to visionary possibilities□that will help readers see all forms of racism clearly, understand their poisonous consequences, and work to oppose them in our systems and in ourselves. Kendi weaves an electrifying combination of ethics, history, law, and science with his own personal story of awakening to antiracism. This is an essential work for anyone who wants to go beyond the awareness of racism to the next step: contributing to the formation of a just and equitable society. Praise for *How to Be an Antiracist* □Ibram X. Kendi□s new book, *How to Be an Antiracist*, couldn□t come at a better time. . . .
