“Electronic Democracy in Europe”
published by Springer.

This book explores an escalating
modern-day crisis; managing waste in
a sustainable way. The central
question posed is whether advancing
a circular economy provides a way to

Read Free Translate Googleusercontent Com

shift waste management practices towards more sustainable approaches. It begins with an in-depth analysis of the nature of waste management and the prevailing crisis, followed by a discussion about the circular economy in terms of its requirements and the challenges of implementation. The

Read Free Translate

Googleusercontent Com

book then moves on to propose a framework that sets out how to establish the policy changes needed to advance a circular approach to waste management. Next, the book outlines complex issues in multilevel systems for advancing a circular economy through examining the contemporary

Read Free Translate

Googleusercontent Com

situation in Belgium and Norway. It ends by bringing together the issues revealed in these case studies and draws insights for governments advocating circular approaches. The book will be a valuable resource to scholars, students, practitioners and policy makers interested in developing

This book investigates the long-term impact of migration on development, engaging in a thorough analysis of the pertinent factors in migration.

Migration scholars and stakeholders have long placed emphasis on the necessity of migration for development. At the heart of this book

Read Free Translate

Googleusercontent Com

is the question: Has migration made development necessary, or is it the other way around? While existing literature is predominantly occupied with positive impressions about the migration-development nexus, this book challenges associated pervasive generalizations about the impact of

Read Free Translate

Googleusercontent Com

migration, indicating that migration has not impacted all regions equally. This volume thus grapples with the different extents to which migration has impacted development by delving into the social costs that migrants often pay in the long run. With empirical support, this book proffers that some
