History from 1865 follows the key moments and players in American history from the Civil War Reconstruction period to the record high gas prices and low presidential poll numbers of 2006, with information on politics, disasters, crimes and scandals, social issues, pop culture, and more. This guide also contains appendixes on the territorial expansion and admission of states into the Union, the population of the United States, and a timeline of presidents and secretaries of state. Completely revised and updated by Dr. John Baick, this book includes a test yourself section with answers and complete

explanations at the end of each chapter. Also included are bibliographies for further reading, as well as numerous vocabulary lists, exercises, and examples. The Collins College Outlines are a completely revised, in-depth series of study guides for all areas of study, including the Humanities, Social Sciences, Mathematics, Science, Language, History, and Business. Featuring the most up-to-date information, each book is written by a seasoned professor in the field and focuses on a simplified and general overview of the subject for college students and, where appropriate, Advanced Placement students.
