7 reviews of Hans Weisshaar "George knows his business. This has been my go-to violin repair shop since I was a child! I purchased my 18th century Italian violin here (for a steal!) when I was 18, so I really prefer for them to do all the repairs since they "know" the instrument. Service prices are very reasonable, and they do fine work. They won't try to pull the wool over your eyes and get ...

Just forget about removing a violin neck in the first way the book suggests, by hitting the scroll with your palm. And some of the ideas presented for set-up are pretty strange, like using complicated jigs to discover the optimal height and slant for a cello's fingerboard position. And don't use sandarac as a crack filler, it will craquelure very badly in the near future. And don't remove ...
