Wally Olins's fascinating book looks at every aspect of the world of branding. With his customary flair and no-nonsense prose, he analyzes the problems facing today's organizations, criticizes corporate misbehaviour where he finds it, praises those companies who seem to be building and sustaining brands successfully in our brave new world, and predicts the future of branding.

Wally Olins on Brand:

Amazon.co.uk: Olins Wally ...

Wally Olins has been a leading brand creator ever since branding first became a separate discipline.

He is the most quoted, most respected, and most complete author on branding. And this is his most complete book (to date).

This is not necessarily a visionary or inspiring book. Olins is telling us where we have been, not where we are going.

Mr Olins is well placed to coach companies and to scold them. His voice is that of a humanist, not a corporate functionary, which makes it persuasive. --The Economist Brilliant and brand new thinking from the original master of branding. Wally Olins shows us that while good brands keep up, great brands listen, evolve and excel.
