Ellis Island Interactive Tour With Facts, Pictures, Video ...

From 1892 to 1954, over 12 million immigrants entered the United States through Ellis Island. Today the approximately 100 million living descendants of these Ellis Island immigrants account for more than 40% of the country's population. The Naming of Ellis Island

Follows a Jewish family as they leave Russia in 1893 and begin a new life in New York City, where they find new challenges and opportunities on their way to becoming Americans.

Accounts from children, police, immigration officers, and the immigrants themselves come to life in a moving tale about the history of Ellis Island, enhanced with black-and-white photographs.

Since opening in 1892, Ellis Island has come to symbolize the waves of immigrants from a list of countries that seems endless. In this work, Bial tells the story of Ellis Island itself. Full color.

Combining a moving, American immigrant experience narrative with family photographs and evocative illustrations, this inspiring story of courage follows 7-year-old Julius Weinstein and his family as they travel to the U.S. through Ellis Island after having escaped a pogrom in their Russian village in 1917. Reprint.

Describes the history of Ellis Island, a gateway for many immigrants coming to the United States in the nineteenth and early twentieth centuries, and details the restoration of the landmark and its reopening as a museum.

The story of Ellis Island comes alive through the memories, personal accounts, and impressions of the immigrants who passed through it from 1900 to 1925, in a study enhanced by full-color illustrations. Reprint.

Burdened with bundles and baskets, a million or more immigrant children passed through the often grim halls of Ellis Island. Having left behind their homes in Europe and other parts of the world, they made the voyage to America by steamer. Some came with parents or guardians. A few came as stowaways. But however they traveled, they found themselves a part of one of the grandest waves of human migration that the world has ever known. Children of Ellis Island explores this lost world and what it was like for an uprooted youngster at America's golden door. Highlights include the experience of being a detained child at Ellis Island—the schooling and games, the pastimes and amusements, the friendships, and the uneasiness caused by language barriers.

A celebration of the great immigration movement through Ellis Island introduces readers to the children and families who entered America through there, in a study presented in a question-and-answer format. Reprint.

A century ago, in the shadow of the Statue of Liberty, one of the world's greatest public hospitals was built. Massive and modern, the hospital's twenty-two state-of-the-art buildings were crammed onto two small islands, man-made from the rock and dirt excavated during the building of the New York subway. As America's first line of defense against immigrant-borne disease, the hospital was where the germs of the world converged. The Ellis Island hospital was at once welcoming and foreboding—a fateful crossroad for hundreds of thousands of hopeful immigrants. Those nursed to health were allowed entry to America. Those deemed feeble of body or mind were deported. Three short decades after it opened, the Ellis Island hospital was all but abandoned. As America after World War I began shutting its border to all but a favored few, the hospital fell into disuse and decay, its medical wards left open only to the salt air of the New York Harbor. With many never-before-published photographs and compelling, sometimes heartbreaking stories of patients (a few of whom are still alive today) and medical staff, Forgotten Ellis Island is the first book about this extraordinary institution. It is a powerful tribute to the best and worst of America's dealings with its new citizens—to be.

From 1892 to 1954, Ellis Island processed 12 million immigrants. Produced in cooperation with the Ellis Island Research Foundation, "Ellis Island Interviews" collects the oral histories of more than 130 men and women from all socio-economic and cultural backgrounds. The stories of these last original surviving immigrants are enhanced by more than 60 photographs, many never before published.
